

## الاعتماد المهني PROFESSIONAL ACCREDITATION

### خطاب إقرار وتفويض وLetter of Authorization and Confirmation

I, the undersigned, hereby authorize the Saudi Council of Engineers (SCE) to verify the information and documents attached to my application and any relevant information or documents.

I acknowledge that all persons or entities requesting or using this information will be released from any liability arising therefrom, and I pledge that the copy of this letter shall be true and faithful.

Moreover, I acknowledge that the attached certificate is obtained from a recognized educational institute and is totally valid through full attendance, and that this degree is not forged in any way.

I also declare that I am responsible for my personal account on SCE site; and that I am aware that no one else shall have access thereto; and that I have applied to SCE personally without intermediaries.

I further acknowledge that my academic certificate and all information and documents submitted to SCE are true and identical to their origin; otherwise I shall assume full responsibility.

I acknowledge and confirm that the email below is my personal email as well as the mobile number and that they are identical to the email and mobile number provided upon submission of my application to SCE.

I undertake to deliver any document requested by SCE. I am aware that SCE is entitled to take any action as it deems appropriate in the event of my failure to cooperate therewith within thirty (30) days from the date of such request, which shall be made through the below mentioned means of communication.

In the case of any discrepancies between the Arabic and English texts herein, the Arabic text shall prevail.

I have read and understood all the above. **IN WITNESS WHEREOF**, I have hereunto set my signature.
